This apartment building has been built with respect for the highest standards of building and fit-out. It is perfectly situated in a secluded spot, just 200m from the beach and its balconies have gorgeous seaview.

However, the fact that the center of the city is just 10-15 minutes walk away guarantees convenience.

The apartment building consist of 5 apartments and it is possible to purchase them separately or invest in buying the whole building, which is considered being a very solid investment with return period of only 8 years.

All the apartments include parking spot, air conditioning, balcony or a terrace and are fitted with high quality equipment from top European manufacturers.
